Itch Relief Product Selection Guide

Drs. Foster & Smith Educational Staff

The intense itching caused by flea and tick bites can be extremely uncomfortable for your dog and may lead to skin infections caused by excessive scratching and licking. Concerned pet owners often ask us how they can help their dog feel better right away while they're waiting for a flea and tick preventive to work. The selection guide below outlines the many products we offer that provide fast, soothing itch relief.

Sprays, Rubs, and Salves

Drs. Foster & Smith Itch Stop Series
This line of products was specially created with a non-stinging, hydrocortisone formula to stop itching fast and help decrease inflammation. The Itch Stop Series comes in your choice of Shampoo, Salve, Lotion, Pads, or Spray.

Drs. Foster & Smith Soothing Treatments
A perfect complement to our Itch Stop Series, the Septi-Soothe™ Treatments contain chlorhexidine for anti-bacterial protection during healing. Convenient choice of Pads, Salve, or Spray.

Herbal Skin & Coat Rub
Herbal Skin & Coat Rub contains no harsh chemicals and is made from an all-natural blend of pennyroyal and comfrey oils. This herbal remedy can help to alleviate the discomfort of itchy skin. Simply massage into your dog's coat to help soothe the effects of flea allergy dermatitis or tick bites.

Shampoos

Drs. Foster & Smith Oatmeal Shampoo
Soothing formula containing oat beta glucans has unique moisturizing properties and provides relief from itchy skin. This Oatmeal Shampoo is excellent for pets suffering from flea and tick bites as well as allergies and other skin irritations.

Drs. Foster & Smith Hypo-Allergenic Shampoo
This very mild Hypo-Allergenic Shampoo is ideal for pets with skin that reacts to harsh shampoos, perfumes, or dyes. Pets with allergies can also benefit from this no-tears formula that produces a fresh, clean coat without drying out the skin.
