

Hoof Supplements For Horses: Compare Products

Drs. Foster & Smith Educational Staff

Sometimes, you want your hoof supplement to do something more. Maybe your horse needs a super shiny coat. She might be elderly and need extra antioxidants. Or, perhaps she needs a little help with a joint condition. Or, needs a product that is particularly easy on digestion. Whatever your horse's hoof care needs, check out this supplement chart and you will find one tailored to your horse's specific requirements. See our [Skin, Coat, and Hoof Supplement Comparison Guide](#) for specific amounts of nutrients.

Supplement	Strengthens Hooves	Helps with Allergies	Shiny Coat	Helps Joints	Aids Digestion with Probiotics	Contains Antioxidants for Seniors	Protein from Amino Acids
