Meet Our Equine Model:

# Times Rhythm & Blues

Times Rhythm and Blues (Talach) is a six-year-old Palomino American Saddlebred Stallion. His Sire is the very rare and unique Cremello Saddlebred, named "Shannon's Flight Blue." A Cremello is a pale white color with striking blue eyes and can produce only Palomino, buckskin, black or other shades of buckskin colors. Talach's grand-sire was once the World Grand Champion Golden Palomino Stallion, "Shannon Farm Flight Commander." Talach is a rich dappled Palomino color and is 16.3HH. He has a wonderful disposition and is currently being trained for dressage and sport horse categories.
