# DOCTORS FOSTER AND SMITH dog beds COMPLETE COMFORT

Dr. Race Foster and Dr. Marty Smith promise you quality pet products, at low prices, delivered right to your door.

Your dog's comfort is an important investment. That's why we craft each Drs. Foster and Smith Brand dog bed with such quality, you're guaranteed you've made a choice that will far outlast mega-store discount impulse buys.

We invite you to discover for yourself what type of careful craftsmanship we'll put into your dog's next dog bed. We may offer dozens of dog beds to choose from, but our dedication to your dog's comfort will always be a common thread.

## built to last

Browse through our [dog bed selections](#) to view our latest assortment of fabrics and stylish colors. Remember, optional personalization on many of our dog beds can turn an already special bed into something very personal. We have several monogram font styles and thread colors to choose from.

And, as always, when purchasing any Drs. Foster & Smith item, we guarantee quality, value, and exceptional service from start to finish.

When it comes to quality, we'll never sacrifice a stitch. We hand select the best mattress materials and construction methods - which means your new dog bed will outlast any other "pet store" model. When your bed arrives, you'll immediately notice the quality touches which set our products apart from the pet store aisles.

### fill choices

#### Baffled Polyfil:

Tube-baffle design is sewn together and overstuffed with our MiracleLoft high-loft polyfil made from recycled soda bottles. Baffles prevent polyfil from balling up and create a uniform sleep area from edge-to-edge.

#### Orthopedic Foam:

Medical grade orthopedic foam creates maximum comfort and support that bounces back nap after nap. Available in 2-1/4", 4-1/2", or 5-1/2" thickness depending on personal preference, size, and age of
