

Dental Treat Comparison Chart

Drs. Foster & Smith Educational Staff

Product	Fights Plaque, Tartar Buildup	Fights Odors	Minty Flavor	Massages Gums	Additional Benefits
 Drs. Foster & Smith Dental Scrubbies®	X	X	X	X	Contains Omega-3 and Omega-6 fatty acids. Firm texture and tiny nubs to clean teeth.
 Drs. Foster & Smith Fresh Breath Chews	X	X	X		Natural cheese flavor with peppermint and parsley to freshen breath.
 Twistix Dental Treats	X	X	X	X	Wheat-free. Vanilla/Mint and Yogurt/Banana flavors include parsley and peppermint to help freshen breath.

 <p><u>Greenies® Dental Chews</u></p>	X	X		X	<p>Added B Vitamins, riboflavin, and niacin to help support healthy skin, coat and metabolic processes. Easy-to-digest. Contain no artificial colors. Reduces plaque and tartar buildup, bad breath, and helps maintain healthy gums.</p>
 <p><u>Nutri Dent Complete Dental Chews</u></p>	X	X	X		<p>Highly digestible gluten-free dental chews low in salt and fat. Vitamin-and mineral-enriched.</p>
 <p><u>Nylabone Advanced Oral Care FreshBars</u></p>	X	X			<p>Chicken-flavored chews feature a textured exterior that helps cleans teeth. Soft-chew center contains Denta-C to help reduce plaque.</p>
 <p><u>Nylabone® Advanced Oral Care Tartar Fighting Treats</u></p>	X	X			<p>Bacon-flavored treats contain Denta-C to clean away debris and plaque from teeth. Also feature chlorophyll and parsley to freshen breath.</p>
 <p><u>Mint Quado Bone</u></p>	X	X	Mint bone only		<p>Signature quad bone design ensures the best possible chewing position. Edible and highly digestible. Contains no added salt, sugar, sweeteners, or artificial preservatives. Low-fat and low-calorie treat.</p>

 <p><u>Dingo Dental Sticks</u></p>		X			<p>Chicken-flavored, protein-rich, fully digestible ground rawhide treat sticks contain baking soda and parsley seed to help minimize doggie breath.</p>
 <p><u>C.E.T. HEXTRA Premium Chews</u></p>	X	X			<p>Tough-textured, poultry-liver-flavor beefhide chews are coated with chlorhexidine, which is released slowly as your dog chews, for sustained antimicrobial action.</p>
 <p><u>C.E.T. VeggieDent Chews</u></p>	X	X			<p>Veggie-based chews clean teeth and freshen breath. Tough, chewy texture scrapes away tooth plaque and bacteria-ridden film from the tongue.</p>
 <p><u>Dingo Dental Chews and Denta-Treats</u></p>	X			X	<p>Vitamin E supports healthy gums. Bone-colored chews offer delicious chicken liver flavor.</p>
 <p><u>Zuke's Z-Bones Grain-Free Dental Chews for Dogs</u></p>	X	X		X	<p>Alfalfa, rosemary, parsley, and fennel support fresh breath.</p>
 <p><u>Bone-A-Mints Wheat-Free</u></p>	X	X	X	X	<p>Wheat-free bones contain peppermint, parsley, fennel, and mint to freshen breath.</p>
