Litter Box comparison

Are you looking for the perfect feline litter box? Thankfully, there are a variety of [litter boxes](#) available for your cat or kitten, including hooded, high-backed, and models that automatically scoop away waste. However, choosing the litter pan that is best for your kitty, lifestyle, and budget can be a troublesome task. Use this informative comparison chart to compare litter boxes and help you decide which style is right for your - and your cat's - needs.

Product	Size	Automatic	Covered	Stain/Odor Resistant	Unique Features
 Rollaway Litter Box	Regular Outside: 19" W x 17" L x 17" H; Large Outside: 22" W x 19" L x 19" H	N	Y	Y	Simple rocker design with pullout tray removes waste without scooping or having to touch soiled litter. No filters or liners to buy. Internal screen prevents spills and eliminates dust. Optional mat available.
 Catty Corner	Outside: 19" W x 25" L x 18" H; Inside: 18" W x 24" L x 17" H	N	Y	Y	Space-saving corner design with lift-out grate sifts entire litter box in one easy motion. Snap-on door helps further prevent scatter. Optional mat available.
