

## Kitty Litter Comparison Chart

*Drs. Foster & Smith Educational Staff*

Cat litter comes in a variety of styles. From clumping to flushable and clay-based or corn-based there is a feline litter that suits the preferences of any cat or kitten and his owner. But choosing the best cat litter can be confusing. Use this informative comparison chart to compare kitty litter and help decide which style is right for your - and your cat's - needs.

Name	Made With	Clumping	Scented/ Perfumed	Dust Free	Unique Features
<a href="#"><u>World's Best Cat Litter</u></a>	Whole-kernel Corn	Yes	No	Yes	All-natural formula is free from silica dust, synthetic binding agents, and dust-reducing agents. Unique microporous structure absorbs odors and liquids quickly.
<a href="#"><u>Littermaid Premium Clumping Litter</u></a>	Corn Based	Yes	No	Yes	Superior clumping and excellent odor control. Ideal for all regular and self-cleaning litter boxes
