

Compare Ferret Litters

Drs. Foster & Smith Educational Staff

Some ferrets can be very particular about the litter that is placed inside their litter box. One of your ferrets might like recycled newspaper, while your other ferret may prefer wood pellets. With such a wide variety of litters available, it may be challenging to choose between them. The chart below will help you quickly and easily distinguish between all the litters we have to offer so you can select the perfect litter for your ferret.
