Meet Our Equine Model:

Gypsy Dancer

Gypsy Dancer, barn name Sheba, is a Gray Anglo-Arab (Thoroughbred/Arabian cross). Sheba is owned by Internet Content Specialist, Monica Smith at Drs. Foster & Smith. She first came to be Monica's horse when she was 2-years-old, when she was rescued with her herd in northern Wisconsin. Sheba later went to live with a family friend whose daughters loved her greatly before she came back to Monica 3 years ago. Sheba loves people and other horses. Sheba is especially happy on the trails, but enjoys arena work as long as it stimulates her.
